Dear Sir:

Applicant thanks the Examiner for her Official Action dated December 15th, 2004 and in response thereto, requests that the following amendments be entered:

In the Claims:

invention describes a company (or project)-oriented system. If the Examiner so requires, she is invited to suggest further limitations incorporating this further difference in the claim.

§ § §

Conclusion

Applicant has made a diligent effort to advance the prosecution of this application by amending claims, and by pointing out herein with particularity how the claims now presented are patentably distinct from the prior art of record. Therefore, Applicant respectfully submits that the claims, as amended, are now in condition for allowance. No new matter has been entered by this amendment. Any limitations to the claims are made solely for the purpose of expediting the prosecution of the application and, unless otherwise expressly stated, are not made to narrow, vis-à-vis the prior art, the scope of protection which any subsequently issuing patent might afford. Again, if the Examiner has further questions, he is invited to contact the undersigned at phone 011-4171 230 1000, fax at 011-4171 230 1001 (St. Gallen is 6 hours ahead of Eastern Std Time); or e-mail at moetteli@email.com.

Applicant petitions the Commissioner for an Extension of Time under 37 CFR §1.136 for a period of ONE month and the Undersigned authorizes the Commissioner to charge any fee or credit any overpayment of any fee under 37 CFR §1.16 and §1.17 which may be required in this application to the deposit account of MOETTELI & ASSOCIES SARL, no. 50-2621.

Respectfully submitted,

Date : April 13, 2005
